

**Call for Presentations**  
**2009 East Coast Regional Conference**  
May 17 – 21, 2009  
Fernwood Hotel and Resort Bushkill, PA

It is time to start planning for the 2009 East Coast Regional conference. The conference offers a wonderful opportunity to present new information and ideas relevant to the public safety field. Speakers will gain visibility and credibility in the eyes of their peers while making a significant contribution to the Public Safety profession. The conference also offers great networking opportunities.

To submit a proposal, please fill out the [Proposal Application Form](#) and return it by the deadline of **February 25, 2009**. Early confirmation of program topic and procedures will allow for pre-conference promotion of the educational opportunities that are available at the East Coast Regional Conference. **General session presentations will be 50 minutes in length.** There are limited time slots for general sessions so early submission of a proposal application is beneficial. **Note – all speakers that are commercial vendors affiliated with public safety must contact Bob Ritter, Chairman, Commercial Committee. Email – bob.ritter@crowncastle.com**

The sessions provide the attendees the opportunity to learn of new information and technology associated with Public Safety. The 2009 East Coast Regional conference is also a great place to meet new people associated with Public Safety, make new friends, and continue long ago made friendships.
