**About the Conference:**

**Fernwood is located less than two hours from New York City and within an easy day's drive for attendees from throughout the Boston-Richmond corridor. Only a few minutes drive from Interstate 80, it is easily accessible by auto and air. Fernwood features an 18,000 square foot events center and all conference activities within the resort complex. The conference will feature 90 vendor booths, and numerous networking and marketing opportunities.**

**Hi Everyone,**

**I am from the Pennsylvania Dutch Country here in Lancaster County. I am a frugal sort of person (that's a nice way of saying cheap) and I don't like to spend a lot of money on vacations.**

**Since you belong to APCO, I would like to suggest a way of combining a family vacation in May of 2009 with a learning and networking experience for you.**

**The Pennsylvania Chapter of APCO is sponsoring the APCO East Coast Regional Conference at the Fernwood Hotel and Resort located in Bushkill,PA. from May 17 through May 21, 2009.**

**Since we are at a similar time of the year, I thought I should show you what types of things are in store for you and your family or friends.**

**Take a look at the many things that are planned for this year, and similar things you and your family or friends could be doing next year, while you attend the APCO 2009 East Coast Regional Conference at the following website:  
<http://www.resortusa.com/fernwood.php>.**

**I can personally recommend the Bushkill Falls hike and horseback riding, but that is certainly not all that is available for family entertainment.**

**In addition, there is a golfing available, in addition to the tournament, and a casino is not far away if you are so inclined.**

**Hope to see you at Fernwood in 2009,  
Skip Walls  
Family Programs Chairman**
