

CALL FOR PAPERS

Willow Valley Resort and Conference Center – Lancaster, PA

It is once again time to start planning for our annual spring conference. The conference offers a wonderful opportunity to present new information and ideas relevant to the public safety field. Speakers will gain visibility and credibility in the eyes of their peers while making a significant contribution to the Public Safety profession. The conference also offers great networking opportunities.

To submit a proposal, please fill out the Proposal Application Form and return it to CGeiger@countyofberks.com as soon as possible.

Early confirmation of program topic and procedures will allow for pre-conference promotion of the educational opportunities that are available at the PA APCO Spring Conference. General session presentations will be 50 minutes in length. There are limited time slots for general sessions so early submission of a proposal application is beneficial.

Note – all speakers that are commercial vendors affiliated with public safety must contact Bob Ritter, Chairman, Commercial Committee. Email – bob.ritter@crowncastle.com

The sessions provide the attendees the opportunity to learn of new information and technology associated with Public Safety. The PA APCO 14th annual conference is also a great place to meet new people associated with Public Safety, make new friends, and continue long ago made friendships.
