

**Call for Presentations**  
**PA APCO Annual Spring Conference**  
March 25-28, 2012  
Best Western Premier Eden Resort – Lancaster, PA

It is once again time to start planning for our annual spring conference. The conference offers a wonderful opportunity to present new information and ideas relevant to the public safety field. Speakers will gain visibility and credibility in the eyes of their peers while making a significant contribution to the Public Safety profession. The conference also offers great networking opportunities.

To submit a proposal, please fill out the Proposal Application Form and return it by the deadline of **December 5, 2011**. Early confirmation of program topic and procedures will allow for pre-conference promotion of the educational opportunities that are available at the PA APCO Spring Conference. **General session presentations will be 50 minutes in length.** There are limited time slots for general sessions so early submission of a proposal application is beneficial. **Note – all speakers that are commercial vendors affiliated with public safety must contact Steve Shaver, Chairman, Commercial Committee. Email – [steve@mwfenterprises.com](mailto:steve@mwfenterprises.com).**

The sessions provide the attendees the opportunity to learn of new information and technology associated with Public Safety. The PA APCO annual conference is also a great place to meet new people associated with Public Safety, make new friends, and continue long ago made friendships.
